

Student 1: Camila, what did the teacher say?

Student 2: Camila, to you said we had to study the irregular verbs for tomorrow.

Student 3: I need to study because I've only memorized 12.

Student 1: Dilan asked where we were going to meet

Student 2: what did he wanted to know?

Student 3: he wanted to know where we were going to meet

Student 1: I think we should go to Alejandra's; she is very good at English, so she can help us.

Student 2: All right, we can send a message by whatsapp telling the others the time

Student 3: cool I'll send it. Do you know what Cesar ask for Thursday.

Student 1: Literally he said " Don't send the exercises by e-mail, you must send them in writing"

Student 2: What did he ask?

Student 3: Cesar told us not to send the activity by mail. He told us to bring the exercises in writing.

Student 3: Oh my goodness. That homework is very long

Student 1: the best thing we can do is to begin because we're running out time
