

THE ENGLISH WEEK

Hosts introduction:

Steven: Good morning to all of you. Today we have a very special morning because we're going to be the witness of the great talent of our classmates. Here with me is my friend Isabela. Hi, How are you doing?

Isabela: I'm great Steven and so excited because in all this week, we had the opportunity to do some interesting and entertaining activities in English. What is more I'm going to represent my grade 11-1 in the Spelling bee competition.

Steven: Of course Isabela you are a great rival. It was pretty amusing competing with you. Congratulations. I wish you the best in the finals of the spelling bee competition.

Isabela: Thank you Steven. Let's go over this English week.

On Monday we watched a video called **ISLAND IN THE SUN** of a famous rock band called **THE WEEZER**. I love that song and it was a very cool video. How did you do in that activity Steven?

Steven: I did it great but I think I was wrong in one option because I was not sure about the meaning of Jungle and Forest.

Isabela: Oh the same happened to me I chose forest but now I know the difference between jungle and forest. A forest can be defined as a large area that is covered with big trees and underbrush (un bosque es un área cubierta de muchos arbustos y árboles grandes) whereas a jungle is a concentrated area with dense shrubs, grasses and small trees. (mientras que la selva es un área concentrada de vegetación densa, arbustos y árboles pequeños).

Steven: Good to know. On Tuesday we both participated in the spelling bee competition. For me it was an amusing activity and I learned some new words now I can say that learning English is A.W.E.S.O.M.E, AWESOME

Isabela: Very Good Steven. For me it is F.A.N.T.A.S.T.I.C FANTASTIC. On Wednesday some rock music icons visited us. I had the chance to see John Lennon, Kurt Cobain, Elvis Presley, and Michael Jackson.

Steven: Yeah they did a great job imitating those icons. Ok on Thursday the activity was in the break, it was called **Speak Out** and you could write messages.....

Isabela: Yes I wrote my message in there, I felt inspired yesterday.

Steven: Ok let's start the program: We have now a classmate who wants to tell us why she loves English and why we should love it too. Let's welcome to Valentina Correa from 11-3.

Isabela: Let's start with the spelling bee finals. We need all the winners of each grade
