Everyone knew miss Ada's house. It wasn't much bigger than a dollhouse. Every year Miss Ada painted it a different colour. One year it was sky blue. Another year it was bright pink, another year it was grass green. When Miss Ada was young, she could paint her house in a weekend., The roof was so low that she hardly needed a ladder. As she got older, the job took longer. One year she didn't paint it at all. Their neighbors knew that she never could paint again, they wanted to help her but she was a proud woman so they decided to do the work for her on the night of the next full moon They worked in absolute silence so Miss Ada wouldn't heard them.
