

## HEAT IT

(LYRICS BY ANDREA AND MUSIC BY MICHAEL JACKSON)

I'm not gonna tell you what's going here	A cure for all the stressful world where
I just wanna you cool people get it right	you've in
down here	You'd better stay a while
I can see it in your eyes better move on	The music won't stop
Cause I will heat it, just heat it	I'll heat it, come heat it
Don't think you know me, get your ass	I know you're tired, it sucks but will end
over here	Don't ruin for a moment you will have the
I promise you will never get rid of me	chance,
It's crazy, now I'm stone	To kick it then to freak it then to ripe it,
But I told you so, I will heat it	so you just heat it
You all wanna be bad	It's your moment do your best
I'll heat it, heat it	Chorus
No one ever thought, I'll heat	I'll heat it, heat it
Get your body rocking, rocking all the	No one ever thought, I'll heat it
time	Get your body rocking, rocking all the
Feel it in your muscles, burning like a	time
star	Feel it in your muscles, burning like a
Go heat it, I'll heat it	star
If you want my attention, you'll see what	Go heat it; I'll heat it (bis)
you get
